State Board of Regents Names Members of Salt Lake Community College Presidential Search Committee

SALT LAKE CITY – The Board of Regents has named a 21-member committee to search for the next president of Salt Lake Community College. Current President Cynthia Bioteau, who announced her resignation in October, takes office as president of the Florida State College at Jacksonville in January. Dr. Deneece Huftalin will serve as Interim President until a new president of SLCC is selected and takes office. Regent France Davis will lead the committee, which is comprised of representatives from the Board of Regents, trustees, faculty, staff, students, and alumni of SLCC, as well as community members from throughout Salt Lake County. A complete list of the search committee membership follows below. The search committee will hold several public meetings in early 2014 to obtain input from members of the SLCC community and the general public on the presidential search. More information about these meetings will be posted on higheredutah.org/presidentialsearches as it becomes available.
