**3.2.1.** The Board of Regents, in designating an official institutional residence, shall take into account the type of institution (research university, baccalaureate/masters degree granting institution, or community college), living standards and cost of housing in the community, ability to meet the president's needs for campus related activities, accessibility to the campus, suitability for family needs, estimated cost or market value, and other appropriate factors.

**3.2.2.** A report summarizing the facts as to the adequacy and appropriateness of the residence on these points shall be prepared by the Commissioner in consultation with the President, the Chair of the institutional Board of Trustees, and the Chair of the Board of Regents. The report will be submitted to both the institutional Board of Trustees and the Board of Regents for approval. If approved, the report will be filed in the Office of the Commissioner as evidence of official designation.
