

March 19, 2014

MEMORANDUM

TO: State Board of Regents

FROM: David L. Buhler

SUBJECT: R315 (Service Area Designations and Coordination of Off-Campus Courses and Programs): Verification of Existing Delivery Outside of a Designated Service Area

Issue

On September 13, 2013, the State Board of Regents passed a revision to policy R315 (Service Area Designations and Coordination of Off-Campus Courses and Programs). With the revision, the designated service regions are identified as follows in R315-7:

Institution	Service Area/by County
University of Utah	Salt Lake, Summit (Park City only)
Utah State University	Cache, Rich, Box Elder, Duchesne, Uintah, Daggett, Tooele
USU - Eastern	Carbon, Emery, Grand, San Juan
Weber State University	Weber, Morgan, Davis
Southern Utah University	Iron, Garfield, Beaver
Utah Valley University	Utah, Wasatch, Summit (concurrent enrollment only within Park City)
Dixie State University	Washington, Kane
Snow College	Sanpete, Sevier, Wayne, Piute, Millard, Juab
Salt Lake Community College	Salt Lake for certificate, applied associate and associate degrees

The following statement is included in the revised policy.

6.2 Verification of Existing Delivery Outside of a Designated Service Area. The Commissioner's Office has responsibility for compiling a list of instruction being delivered outside designated service areas by each USHE institution no later than one month after Regent approval of this policy revision. The existing delivery outside of a designated service area that appears on this compiled list will be considered already approved. Institutions shall provide the name and contact information for the contact person for constituent requests for program delivery to the Office of the Commissioner.

The Board of Regents now needs to approve the list compiled from institutional responses to verify existing (and “grandfathered”) delivery of courses and programs that are not asynchronous (fully on-line) and that are offered outside the institutional designated service areas.

Background

Institutional responses as required in Section 6.2 of the R315 policy are provided in the attached spreadsheet. Approval of this list will confirm approved delivery of the named courses and programs that are not asynchronous in delivery (fully on-line) outside of institutional service regions. Courses and programs an institution wishes to deliver outside its service region and not on this approved list are subject to the right of first refusal processes noted in R165 (Concurrent Enrollment) for Concurrent Enrollment courses and to the provisions of R315 for all other courses and programs.

This list has been reviewed and verified by the USHE Council of Chief Academic Officers (CAOs), and review by the Council of Presidents (COP) occurred on January 7, 2014.

Policy Issues

There are no outstanding policy issues.

Commissioner’s Recommendation

The Commissioner recommends approval of the list of programs by the Board of Regents as required in R315, Section 6.2 (Verification of Existing Delivery Outside of a Designated Service Area).

David L. Buhler
Commissioner of Higher Education

DLB/EJH
Attachment

R315: Service Area Designations and Coordination of Off-Campus Courses and Programs

Section 6.2 Verification of Existing Delivery Outside of a Designated Service Area.

Purpose for List: On September 13, 2013, the State Board of Regents passed a revision to policy R315 (Service Area Designations and Coordination of Off-Campus Courses and Programs). With the revision, the designated service regions are identified as follows in R315-7:

Institution	Service Area/by County
University of Utah	Salt Lake, Summit (Park City only)
Utah State University	Cache, Rich, Box Elder, Duchesne, Uintah, Daggett, Tooele
USU - Eastern	Carbon, Emery, Grand, San Juan
Weber State University	Weber, Morgan, Davis
Southern Utah University	Iron, Garfield, Beaver
Utah Valley University	Utah, Wasatch, Summit (concurrent enrollment only within Park City)
Dixie State University	Washington, Kane
Snow College	Sanpete, Sevier, Wayne, Piute, Millard, Juab
Salt Lake Community College	Salt Lake for certificate, applied associate and associate degrees

List Contents: Institutional responses as required in Section 6.2 of the R315 policy are provided in the spreadsheet that follows. **Note that programs that are fully online (asynchronous delivery) are not subject to the Service Area Designations and are not included on this list. Courses/Programs offered WITHIN the institution's Designated Service Region are not indicated on this list.** Approval of this list will verify approved delivery of the named courses and programs outside of institutional service regions consistent with R315 and effective January 24, 2014, with Regent approval. Courses and programs an institution wishes to deliver outside its service region and NOT on this approved list are subject to the right of first refusal processes noted in R165 (Concurrent Enrollment) for Concurrent Enrollment courses and to the provisions of R315 for all other courses and programs.
