MEMORANDUM

TO:   State Board of Regents
FROM:   David L. Buhler
SUBJECT:  Utah Higher Education Assistance Authority – Series 2017.1 Student Loan Backed Notes

Issue

The Utah Higher Education Assistance Authority (UHEAA) closed its Series 2017-1 Student Loan Backed Notes, totaling $420 million, on February 9, 2017 at an initial interest rate of 1.69%. With the completion of this third and final transaction related to the purchase of the Bank of America student loan portfolio, the temporary $1.66 billion warehouse from the Royal Bank of Canada is completely retired.

Background

Regent Policy R590, Issuance of Bonds for Colleges and Universities requires the Office of the Commissioner to report the results of the final bond pricing to the Board at the next scheduled meeting after the closing. In March 2015 the Board authorized the issuance of several series of permanent financings in the aggregate amount of $1.8 billion to retire an existing student loan warehouse facility. The warehouse facility was originally established as a temporary loan from the Royal Bank of Canada to purchase a $1.8 billion student loan portfolio from the Bank of America. The warehouse was completely refinanced with the issuance of the Series 2017-1 notes on February 9, 2017 in conformity with the parameters approved by the Regents. UHEAA’s bonds continue to have a strong reputation in the market and receive the top financial ratings available on student loan transactions. Presented in the table below is a summary of the bonds issued to refinance the warehouse.
