MEMORANDUM

TO: State Board of Regents

FROM: David L. Buhler

SUBJECT: University of Utah – Series 2019 General Revenue Bonds

Issue

Regent Policy R590, Issuance of Revenue Bonds for Colleges and Universities, requires the Board to review and approve the issuance and sale of revenue bonds that have been affirmatively authorized by the Utah State Legislature. The University of Utah requests Board authorization to issue up to $125,000,000 of General Revenue Bonds to construct a cancer care center and to upgrade the football stadium as authorized by the 2019 Legislature.

Background

During the 2019 General Session, the Legislature passed Senate Bill 9, Revenue Bond and Capital Facilities Authorizations, which authorized the University of Utah to issue revenue bonds for the construction of the Kathryn F. Kirk Center for Comprehensive Cancer Care and Women's Cancers and the Rice-Eccles Stadium South End Zone upgrade. These projects were initially approved by the Board in the November 2018 meeting. Hospital revenue is the primary source of repayment for the cancer care center portion of the bonds. Athletic revenue is the primary source of repayment for the stadium upgrade portion of the bonds.

The legislative authorization allows the issuance of up to $80,000,000 for the acquisition and construction of the stadium upgrade and $40,000,000 for the cancer care center in addition to costs of issuance, capitalized interest, and debt service reserve requirements. The attached resolution authorizes the University of Utah to bond for up to $125,000,000 to construct the projects and cover additional issuance costs and requirements. The relevant parameters of the requested issue are:

- Principal amount not to exceed $125,000,000 (including costs of issuance and capitalized interest)
- Interest rate not to exceed 6%
- Interest rate for Variable Rate Bonds or Commercial Paper not to exceed 12%
- Discount from par not to exceed 2%
- Final maturity not to exceed 30 years from the date of issue

A copy of the request letter from the University, the Approving Resolution, and a financing summary from the financial advisor is attached. Representatives from the University will be in attendance at the meeting to provide additional information and answer questions from the Board.
Commissioner’s Recommendation

Dear Commissioner Buhler:

The purpose of this letter is to inform you of the University of Utah’s plans to submit a resolution (the “Resolution”) to the State Board of Regents of the State of Utah (the “Regents” or the “Board”), to be considered during its May 2019 meeting at Snow College, for the issuance of a General Revenue Bond or Bonds on behalf of the University of Utah (the “University”) for the financing of the construction of the Rice-Eccles Stadium South End Zone Project and Huntsman Institute Complex Phase V Project. The resolution will cover both projects.

Details are as follows:

**Authorization to Bond up to $80,000,000 for the Construction of the Rice-Eccles Stadium South End Zone Project** – The South End Zone Project is to implement an end zone expansion that will enhance the current stadium to become comparable with the best Division 1 and PAC-12 facilities. The project includes the creation of additional revenue generating opportunities for Auxiliary Services, improved fan experience areas, upgraded crowd flow, and operational efficiency throughout Rice-Eccles Stadium. This new expansion would bring the stadium capacity to 50,000+ and provide premium amenities for fans on game day, events, and if Salt Lake City is selected, the 2030 Winter Olympics.

The total cost for this project is approximately $80,000,000. Athletic revenue will service the debt on the revenue bonds and pay for ongoing operation and maintenance of the facility. The University received bonding authorization for this project during the 2019 Legislative Session of up to $80,000,000 million, together with other amounts necessary to pay costs of issuance, pay capitalized interest, and fund any debt service reserve requirements. No state funds will be requested for the new facility.

**Authorization to Bond up to $40,000,000 for the Construction of the Huntsman Institute Complex Phase V Project** - The Kathryn F. Kirk Center for Comprehensive Cancer Care and Women’s Cancers will be the 5th phase at the Huntsman Cancer Institute complex and will add an additional 190,000 square feet of hospital, clinical and research space focused on women’s
cancers. Approximately 102,000 square feet on four floors of the proposed facility will house 45-50 inpatient rooms, oncology faculty workspace, clinical trial space, and outpatient services. Of the other four floors, half will be used for nonclinical cancer-related operations and the other half (approximately 44,000 square feet) will be shelled for future growth. The new facility will provide additional teaching and educational opportunities for physician residents, medical students, and student nurses. The facility will also accommodate the growing need for inpatient bed-space and outpatient cancer care as the Huntsman Cancer Hospital currently operates at capacity and administrators project ongoing clinical need in the growing and aging Utah population.

The total cost of the project is expected to be $129,000,000 and will be funded through $89,000,000 of donations in addition to the $40,000,000 of revenue bonds. Hospital revenue will service the debt on the revenue bonds and will pay for ongoing operation and maintenance of the facility. No state funds will be requested for the new facility.

The University received bonding authorization for this project during the 2019 Legislative Session of up to $40,000,000 million, together with other amounts necessary to pay costs of issuance, pay capitalized interest, and fund any debt service reserve requirements.

Please feel free to call me should you or others have questions about the details of this funding request.

Sincerely,

John E. Nixon
Vice President for Administrative Services

The Bonds shall mature on such date or dates, be subject to redemption, and bear interest at the rates as shall be approved by the Chair or Vice Chair of the Board or the Chair of the Finance and Facilities Committee, all within the parameters set forth on Exhibit A attached hereto and incorporated herein by reference. The issuance of the Bonds shall be subject to the final advice of Bond Counsel and to the approval of the office of the Attorney General of the State of Utah.

Section 6. The form, terms and provisions of the Bonds and the provisions for the signatures, authentication, payment, registration, transfer, exchange, interest rates, redemption and number shall be as set forth in the Indenture. All or a portion of the Bonds may be issued as variable rate bonds or commercial paper and the University may provide the liquidity for the payment of such variable rate bonds or commercial paper from the General Revenues pledged under the Indenture or may limit payment of the purchase price for any optional or mandatory purchase to remarketing proceeds and, if determined advantageous, may also enter into liquidity agreements with credit providers and secure the repayment obligation of the Board and the University under such liquidity agreements as a Security Instrument Agreement all as provided in the Indenture.

Section 7. The Bond Purchase Agreement in substantially the form presented to this meeting is hereby authorized, approved and confirmed. Agreement to carry out, give effect to and consummate the transactions as contemplated thereby and are authorized to take all action necessary in conformity with the Act.

Section 10. Upon their issuance, the Bonds will constitute special limited obligations of the Board payable solely from and to the extent of the sources set forth in the Indenture. No provision of this Resolution, the Bonds, the Bond Purchase Agreement, the Official Statement, the Indenture or any other instrument executed in connection with the issuance of the Bonds, shall be construed as creating a general obligation of the Board or the University, or of creating a general obligation of the State of Utah or any political subdivision thereof, nor as incurring or creating a charge upon the general credit of the Board, the University, the State of Utah or any political subdivision thereof.

Section 11. After any of the Bonds are delivered by the Trustee to or for the account of the Purchaser and upon receipt of payment therefor, this Resolution shall be and remain irrepealable until the principal of, premium, if any, and interest on the Bonds are deemed to have been fully discharged in accordance with the terms and provisions of the Indenture.

Section 12. If any provisions of this Resolution should be held invalid, the invalidity of such provisions shall not affect the validity of any of the other provisions of this Resolution.

Section 13. All resolutions of the Board or parts thereof inconsistent herewith, are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed as reviving any bylaw, order, resolution or ordinance or part thereof.

Section 14. This Resolution shall become effective immediately upon its adoption.
