Learn & Work In Utah

August 21, 2020

- HB 5010 - Federal CARES Act funding created the new Learn & Work In Utah initiative
- ~\$9 million for short term training
 - Talent Ready Utah
 - Utah System of Higher Education
- Provides training for workers who are unemployed, underemployed or in vulnerable positions due to COVID-19

Program Details

- 188 program proposals totaling over \$15 million in requested funds
- Awarded the first \$8.7 million in program support to our institutions
- \$200,000 to Rumor Advertising Group to combine Learn & Work with *IN UT* campaign
- Committee identified another potential \$4.5 million in programming for additional CARES funding

Institution	Round 1 Funding	Potential Round 2 Funding
Bridgerland	\$386,050.00	\$0.00
Dixie Tech	\$397,042.00	\$0.00
Dixie State U	\$711,700.00	\$170,025.00
Mountainland	\$1,318,902.00	\$1,049,445.00
SLCC	\$611,504.38	\$601,391.00
Snow	\$900,650.00	\$117,812.00
SUU	\$383,595.00	\$192,960.00
SW Tech	\$249,489.55	\$32,000.00
Tooele Tech	\$377,248.00	\$76,452.00
UB Tech	\$148,000.00	\$0.00
U of U	\$589,251.00	\$290,740.00
USU	\$783,968.00	\$567,400.00
UVU	\$841,732.00	\$699,500.00
Weber	\$1,022,274.00	\$796,272.00
Total	\$8,721,405.93	\$4,593,997.00

Programs Types:

- *Welding/CDL/Manufacturing/Automotive*
- *Health Care*
- *IT - short industry credentials & longer programs*
- *Web design and support*
- *Microsoft Office & digital tools for the remote work world*
- *Graduate certificates – Cyber Security & Analytics*
- *Training educators to transition to digital learning*
- *Small business support*

If all programs identified for funding fill we will support almost 10,000 students in gaining valuable workforce skills

A background image showing a group of graduates in black caps and gowns. Some are holding their caps, and others are holding rolled-up diplomas. The scene is brightly lit, with a warm orange glow in the upper left corner.
