# The Jed Process at WSU

# Key Lessons

- Early adopters
- COVID altered, but did not stop, the process
- Gave us a platform to bring people together
- Administrative support is critical
- Integrative campus approach – supports, but does not add to the workload of CPSC
- Adapt strategies to meet the needs of our campus

# What's next?

---

- Currently working on...
  - Finalizing our strategic plan
  - Communicating the plan to our campus team
  - Beginning the implementation phase
- University strategic plan
- Increase student feedback and engagement
  - Increase students on our campus team
  - Student focus group
- State-wide Jed/ student mental health coalition
