Forthcoming Study on Adult Education

The Utah State Board of Education is interested in exploring ways to improve student outcomes for those participating in adult education. USBE will present to the Legislative Education Interim Committee on November 17, 2021, where it will propose the creation of a task force to study ways to improve adult education. The Commissioner, or a delegate of his choosing, will serve on the taskforce, and the Board will be updated as recommendations are provided from the task force.
