

USHE Strategic Plan

Academic Education Committee Priorities

October 29, 2021

SYSTEM UNIFICATION	
Align programs with institutional roles and minimize duplication among institutions	<ul style="list-style-type: none"> • Study current program offerings to ensure fit with institutional role.
Increase <u>stackability</u> of credentials from technical colleges to degree-granting institutions	<ul style="list-style-type: none"> • Review policy governing award types to ensure policies are equity minded and supported by data to support <u>stackability</u> between institutions.
Train boards of trustees on delegated responsibilities	<ul style="list-style-type: none"> • Trainings on program approval and review
Merge system policies and align data and measures, as appropriate.	<ul style="list-style-type: none"> • Review related policies and align data and measurements between technical colleges and degree-granting institutions, when appropriate.
Support presidents in meeting expectations of the Board, including incorporating equity, diversity, and inclusion in evaluations and R&R; streamline presidential evaluation and (R&R) processes	<ul style="list-style-type: none"> • Policy updates
ACCESS	
Make CE and TE accessible for all high school students by standardizing processes and communicating options to students.	<ul style="list-style-type: none"> • Work with LEAs and institutions of higher education to ensure adequate CE course offerings. • Partner with USBE to develop and offer a statewide CE Career and College Success course. • Partner with USBE to recruit target students into CE.
Support institutions and USBE in diversifying the pipeline of P-20 educators, faculty, and staff.	<ul style="list-style-type: none"> • State of Diversity Report • Policy updates • System-wide mentoring and collaboration • Approving institutional and system goals

COMPLETION	
Structure awards to facilitate transfer and completion.	<ul style="list-style-type: none"> •Upgrades to the Utah Transfer Guide •Address transfer barriers in policies around degree structures •Create direct transfer degree pathways
Provide robust options for students to earn credit for prior learning	<ul style="list-style-type: none"> •Implement annual institutional reporting of credit for prior learning, proactive communications to students, and training of faculty and staff. •Ensure equity in processes relating to the award of credit for prior learning.
Expand supportive entry level education practices	<ul style="list-style-type: none"> • Improve pass rates in key introductory course work •Standardize placement practices and co-requisite options
WORKFORCE	
Increase higher ed participation rates of adults	<ul style="list-style-type: none"> •Identify postsecondary education programs, services, and outcomes within USHE for incarcerated individuals and identify funding mechanisms for postsecondary education within prisons
Increase student participation in work-based activities.	<ul style="list-style-type: none"> •Consider policy to define systemwide practices for reporting and expansion of availability of, and participation in, work-based learning activities. •Advocate with industry and GOED to form work-based learning. •Engage employers to strengthen the connection between degrees/certificates and employment options.
RESEARCH	
Advocate for the role of research at degree-granting institutions in innovation, technology transfer, economic development/workforce, and community engagement and impact	
Ensure institutions have needed support to conduct research

Concurrent Enrollment: Closing Equity Gaps

FY20-21 Preliminary Snapshot

- 46,351 students/176 HSs/119,457 enrollments
- 342,386 earned semester credits
- Utah students and their families saved an estimated \$66.3M

Equity Challenge

“Underrepresented”

Any student group that holds a smaller percentage in a program as compared to the overall population

Equity Challenge

CE participating students are:

- 85% white v. 75% white HS population
- 18-19% low-income v. 31-32% HS participation in FRL

Percentage of Students who Coded as NSLPS who Attempted Credits through CE for the First time at Each Institution by Year / 2019 FRL by USHE Service Area

Inst	2016	2017	2018	2019	2019

Survey (Post Eval)												TBD		

PHASE ONE (PH1) GOALS

Oct 2021 - Dec 2021

Phase 1: Increase enrollments.

- Create campaign items that are trackable and easily implemented within the allotted time.
- A/B test and optimize messaging on digital/social platforms for the larger/comprehensive PH2 campaign.
- Build and optimize statewide audiences.
- Establish a quantifiable target/s and success rate for a baseline.
- Provide lead data and responses from all trackable media.
- Test landing site/s and optimized based on user-experience.

PHASE TWO (PH2) GOALS

Jan 2022 - Mar 2022

Phase 2-3: Address higher education misconceptions, emphasize higher education value and maximize ROI, while furthering enrollments.

- Present 4th Q (2021) recap/evaluation and incorporate findings and optimize messaging/tactics.
- Establish initial research criteria (higher education misconceptions) cross reference the to-date campaign discoveries.
- Incorporate television campaign, offering statewide reach at an efficient CPM - bonus spots, interview opportunities, sponsorships and news support is expected to run with negotiated media, TBD.
- Incorporate local radio and digital/streaming audio with audio messaging, driving traffic to the landing page/s - bonus spots, interview opportunities, sponsorships and news support is expected to run with negotiated media, TBD.
- Place billboard/transit in key or high traffic locations, TBD.
- Support state/local legislation tactics, as well as statewide PR elements and community programs, TBD.

PHASE THREE (PH3) GOALS

Apr 2022 – July 2022

Phase 2-3: Address higher education misconceptions, emphasize higher education value and maximize ROI, while furthering enrollments.

- Present 1st Q and 2nd Q (2022) recap/evaluation - Incorporate findings and optimize messaging/tactics.
- Continue to optimize campaign and set final media goals.
- Incorporate potential community/onsite events reaching post high school audiences in key areas of state. Distribute collateral and collect contact information, TBD.
- Implement potential geo-targeting tactics at key events and locations, reaching post high school audiences throughout state with retargeting set for continued messaging, TBD.

AUDIENCES/MEDIA

Recent High School Graduates

Ages 18-21 (individuals within 3 years of high school graduation)

Include sub-audiences to further target messaging to underrepresented people within the 18-21/24 group.

MEDIA

- Primarily digital/social platforms using tactics to inspire engagement, interest and response.
- Social platforms considered: Facebook/Instagram, Twitter, TikTok, Reddit, Twitch, more.
- Digital audio/video platforms considered: OTT, Spotify, Pandora, YouTube.
- Digital media platforms that also reach under-represented individuals (translations included).
- Local influencer campaign/s.
- Geo-fencing populated venues, as well as ongoing retargeting efforts.

AUDIENCES/MEDIA

SAMPLE - Recent High School Graduates

A/B Testing
Digital/social platform audience

Target: Ages 18-21
Area: State of Utah
Estimated social size: 255,600 - 287,400
Estimated daily reach results: 24,000 - 70,000

The screenshot shows the Facebook Audience Definition tool. On the left, under 'Audience', there are options to 'Create New Audience' or 'Use Saved Audience'. Below this is a search bar for 'Custom Audiences' and an 'Exclude' button. The 'Locations' section shows 'United States: Utah'. The 'Age' section has dropdowns for '18' and '21'. The 'Gender' section is set to 'All genders'. The 'Detailed Targeting' section has a search bar for demographics and a 'Suggestions Browse' button. On the right, the 'Audience Definition' section shows a progress bar indicating the selection is 'fairly broad' and an 'Estimated audience size' of 255,600 - 287,400. Below that, the 'Estimated Daily Results' section shows a 'Reach' of 24K - 70K with a corresponding progress bar. A disclaimer at the bottom right states that estimates are based on various factors and are not guaranteed.

AUDIENCES/MEDIA

Adult Learners

- *25 or older with no college
- *25 or older with some college

Include sub-audiences to further target messaging to underrepresented people within the 25+ group.

MEDIA

- Television/radio – statewide broadcasts to reach all areas of population.
- PR driven support from key media organizations – interviews and online stories.
- Social platforms considered: Facebook/Instagram and Twitter.
- Digital audio/video platforms considered: OTT, Spotify and Pandora.
- Include aging local influencers in community (those who returned to school and now successful).
- Out-of-home options considered (reaching mobile adults to/from work): billboard and/or transit.

A/B Testing
Digital/social platform audience

Target: 25 or older with no college
Area: State of Utah
Estimated social size: 259,000- 272,600
Estimated daily reach results: 34,000 - 99,000

The screenshot displays a targeting interface with the following sections:

- United States:** A search bar containing "Utah" with a green checkmark. Below it, a "Search Locations" field with a magnifying glass icon and a "Browse" button.
- Age:** Two dropdown menus set to "25" and "65+".
- Gender:** A dropdown menu set to "All genders".
- Detailed Targeting:** A section titled "Include people who match" with a sub-section "Demographics > Education > Education Level" containing a search bar with "High school grad". Below this is a search bar "Add demographics, interests or behaviors" with "Suggestions" and "Browse" buttons.
- Narrow Audience:** A section titled "Exclude people who match" with a list of education levels: "Associate degree", "College grad", "Doctorate degree", "In college", "In grad school", and "Master's degree".
- Audience Definition:** A section stating "Your audience selection is fairly broad." with a progress bar from "Specific" to "Broad". Below it, "Estimated audience size: 259,000 - 272,600" and a note: "Estimates may vary significantly over time based on your targeting selections and available data."
- Estimated Daily Results:** A section titled "Reach" showing "34K - 99K" with a blue progress bar.
- Footnote:** A small text block explaining that estimates are based on factors like past campaign data, budget, and market data, and that they are not guaranteed.

AUDIENCES/MEDIA

SAMPLE - Adult Learners

A/B Testing
Digital/social platform audience

Target: 25 or older with some college
Area: State of Utah
Estimated social size: 81,900 - 86,200
Estimated daily reach results: 12,000 - 36,000

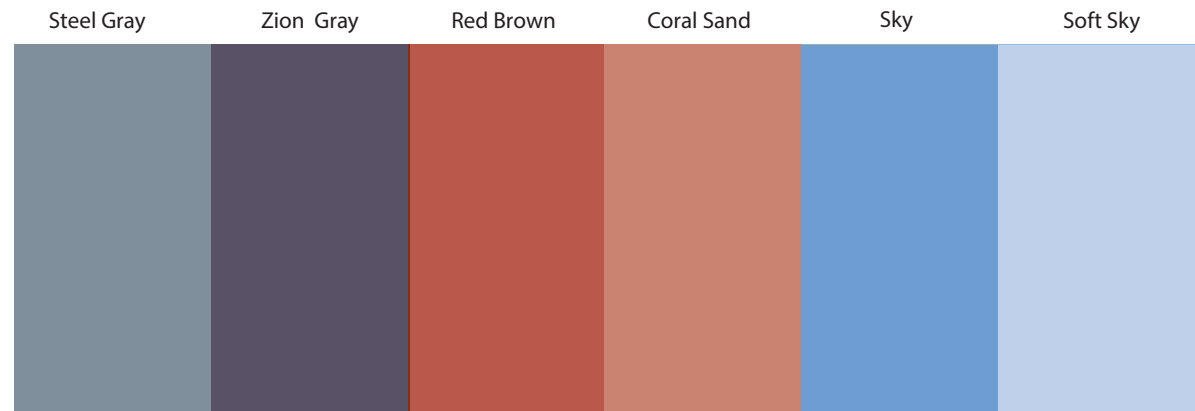

The screenshot shows the Facebook Audience Insights interface. On the left, the location is set to 'United States' with 'Utah' selected. The 'Age' filter is set to '25+' and 'Gender' is 'All genders'. Under 'Detailed Targeting', the education level is set to 'Some college'. On the right, the 'Audience Definition' section shows a 'fairly broad' selection with a green bar on a scale from 'Specific' to 'Broad'. The 'Estimated audience size' is 81,900 - 86,200. The 'Estimated Daily Results' section shows a reach of 12K - 36K.

MESSAGING APPROACH

- Focus messaging on being **inclusionary on all socioeconomic levels, ages/stage-of-life with communication measures that target all areas, including individuals that are underrepresented** within the state.
- **Inspire action with motivational and inclusionary words/imagery** - variety of ethnicities and ages.
- Further **adapt materials to each of the college communities** - include look-a-likes and diversity of students/areas.
- Provide approved and vetted **individual college stories/journeys** within each audience.
- Incorporate **story sharing with hashtags and influencer support** with potential real-life (local college experience) stories.
- **Include “changing life for the better”** appeal to the older/return to school audiences.
- **Highlight life events appealing to returning or older students.** *Examples: kids graduating, lack of job promotion, losing a job, re-evaluation of life priorities, stuck in a job the person doesn't like, etc..*
- **Identify the college location/s with imagery that speaks to the area** of influence (notable cities or landmarks). *Examples: 24th Street for Ogden, City Skylines for SLC and Logan, Red Cliffs for St. George, Cedar Breaks National Monument for Cedar City, Main Street in Ephraim, Lagoon for Davis County, etc.*
- Highlight the fact that **Utah has a college for everyone** - creating a universal approach that college is for all Utahns.

SAMPLE COLOR APPROACH

- Find a pleasing, Utah-inspired color palette.
- Creating a color mix to work with audiences, mediums and seasons.

MESSAGING CONCLUSION/SUMMARY

- Inclusionary on all socioeconomic/ages/stage-of-life, including individuals that are underrepresented.
- Inspire action with motivational word/imagery.
- Materials are created to easily adapt to college communities.
- In addition, all created items will be provided on a shared/downloadable portal for individual college use.
- Utah has a college for everyone - creating a universal approach that college is for all Utahns.

Upcoming messaging items – at the preliminary, research or development stages:

- Individual college stories/journeys, hashtags and influencer support campaigns.
- Creative imagery/support of “changing life for the better” and highlighting key life events appealing to returning or older students.
- Identify the college location/s with imagery that speaks to the area of each college.
- Additional content and statistics for lead gen page/s and campaign.

College is USHE

Thank you.
