## Campus Safety and Equity Advisory Council

Since its creation in 2021, the Campus Safety and Equity Advisory Council (CSEAC) has served as a student-led advisory group on important topics related to campus safety and equity within Utah’s public higher education system. The Utah Board of Higher Education relies on the feedback and insight coming directly from CSEAC to help inform policies, plans, and system strategies to ensure that every student’s experience is safe, equitable, and successful. Council members are awarded a \$1,000 stipend for the semester of their service. CSEAC members for Spring 2022 are:
