# 2022-23 Budget Initiatives Use of Funds Received

The Board requested each USHE institution to provide a detailed report on how they intend to use their share of legislative appropriations from the 2022 General Session for the 2022-23 fiscal year. Institutions received funding in two sections: 1) technical education growth, capacity, and equipment, and 2) degree-granting institutions performance and growth. Institutions provided descriptions, rationale, justification, outcomes, assessment, and a budgetary plan for each of these categories. Additional detail is available upon request. This information will be used to respond to legislative budget follow-up reports and other similar requests.

### **Section 1: Technical Education Priorities**

### Technical Education Growth and Capacity Budget: \$9,350,000 Actual: \$8,700,000

USHE technical education institutions were asked to provide funding requests for regionally critical technical programs experiencing capacity challenges related to student demand. The institutions provided detailed funding requests, including performance indicators and explanations for need and demand. Specific institutional budget to actual requests are listed below.

# **Section 2: Degree-Granting Institution Priorities**

## **Performance Funding**

Budget: \$35,000,000 Actual: \$30,000,000

The FY 2022-23 budget request for performance funding for degree-granting institutions was \$35 million, while the actual appropriation was \$30 million. USHE institutions were provided a preliminary target funding amount for their institutional needs based on the statutory allocation of performance funding. Institutional plans for how they would use their portion of the performance funds are listed below.

**Growth Funding** \$4,992,000

The growth funding request of \$4,992,000 is to expand offerings and other support services for four institutions that have demonstrated significant enrollment growth. This well-established growth formula is based on actual year-to-year FTE enrollment increases in 100 FTE increments and associated direct instructional costs by course level.
