"We depend on our working relationship with Dixie Tech and the highly qualified graduates they are producing."

"The Practical Nurse graduates from Dixie Technical College play a vital role in ensuring that St. George Regional Hospital is properly staffed. We appreciate our working relationship with Dixie Tech as these graduates are coming to us well-trained with a focus on quality patient care. Graduates from the Dixie Tech program are often local and want to stay local. This helps us fight attrition and continue to meet our growing needs. We depend on our working relationship with Dixie Tech and the highly qualified graduates they are producing."

"I have 4 Dixie Tech graduates employed as technicians and could not be happier."

"As the Service Manager at Findlay Subaru, my experience with Dixie Tech graduates has been exceptionally positive. Their readiness for the workplace, coupled with a strong foundational knowledge, has been a game-changer for us. The school's approach to teaching, focusing on both the technical and personal aspects of professional development, has provided us with technicians who are ready to excel from day one. I have 4 Dixie Tech graduates employed as technicians and could not be happier."

The image features a large, modern building with extensive glass windows, likely a technical college, captured at dusk. The building's interior lights are visible through the glass. A white rectangular frame is superimposed over the center of the image, containing the college's logo. The logo consists of the word "DIXIE" in a bold, white, sans-serif font. The letter "X" is stylized with a white outline and a diagonal slash. Below "DIXIE" is the text "TECHNICAL COLLEGE" in a smaller, white, sans-serif font. The background is a dark, blue-tinted photograph of the building and its surrounding landscape, including a concrete wall and some greenery in the foreground.
