

Strategic Plan Taskforce Update

July 12, 2024

Suggested Vision and Mission

VISION: The Utah System of Higher Education is a global leader in providing world-class postsecondary education that enhances the quality of life for all Utahns, both current and future generations.

MISSION: The Utah Board of Higher Education governs Utah's system of 16 public colleges and universities as they operate cohesively to provide affordable, high-quality postsecondary education that meets workforce needs and enhances the personal wellbeing and economic prosperity of all Utahns.

Previous Strategic Plan Priorities:

System
Leadership

Access

Completion

Affordability

Workforce
Alignment

Research

New Strategic Plan Priorities:

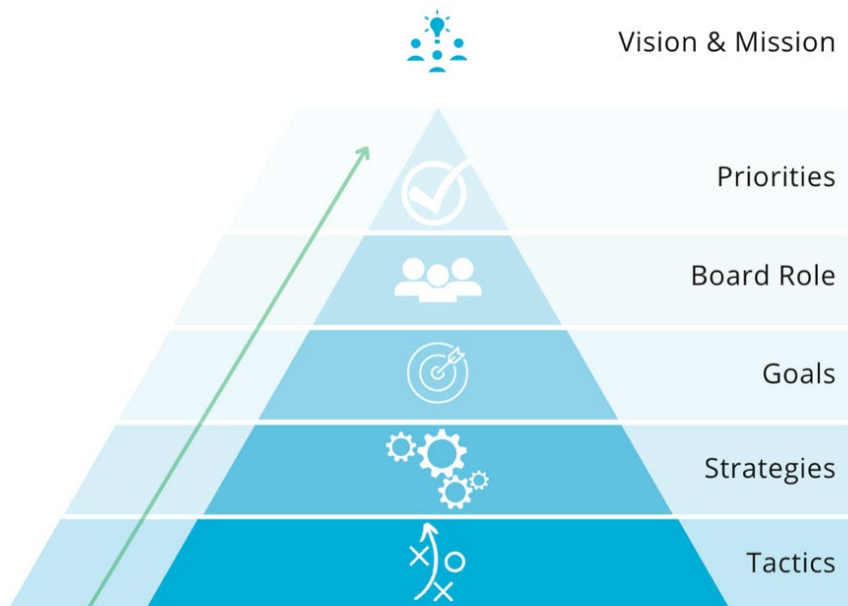

Access

Completion

Financial Value

Economic
Development

Changes to Previous Strategic Plan

- **Priorities:**

- **“System Leadership”** and **“Research”** were removed as standalone priorities and their strategies and tactics were either eliminated or transitioned under other relevant priorities.
- **“Affordability”** and **“Workforce Alignment”** were re-envisioned as **“Financial Value”** and **“Economic Development”**, and their respective strategies and tactics were absorbed accordingly.

- **Strategies and Tactics:**

- Several strategies were transitioned to tactics.
- Several granular tactics were shifted to the sub-tactic level (internal Annual Work Plans for the Commissioner’s Office).
