bonniehoellein Did you guys know that Joel graduated from Utah State University? Joel worked full time the whole time he went to school. He was able to graduate with no student debt because each year he applied for FAFSA and approved for thousands of dollars to go toward his schooling.

It's not too late to apply for financial aid for this school year, or start planning ahead to apply for funding next year. If you need help filling out the FAFSA, visit ushe.edu/fafsa @higheredutah

texasportsmamma Honey!!! FAFSA helps but please do not let people think it'll help you cover it all.. yes it helps though!! It's not the same as it was before when we were in college. Albeit I'm a bit older than you guys.. My oldest is in college now and I believe there is a max of \$6500/year for students who choose to use FAFSA now.
