SB 192 - Talent Advisory Councils

The Utah Board of Higher Education

Shall develop and oversee one or more talent initiatives that include providing funding for expanded programs at an institution of higher education related to the talent initiative.

The Board

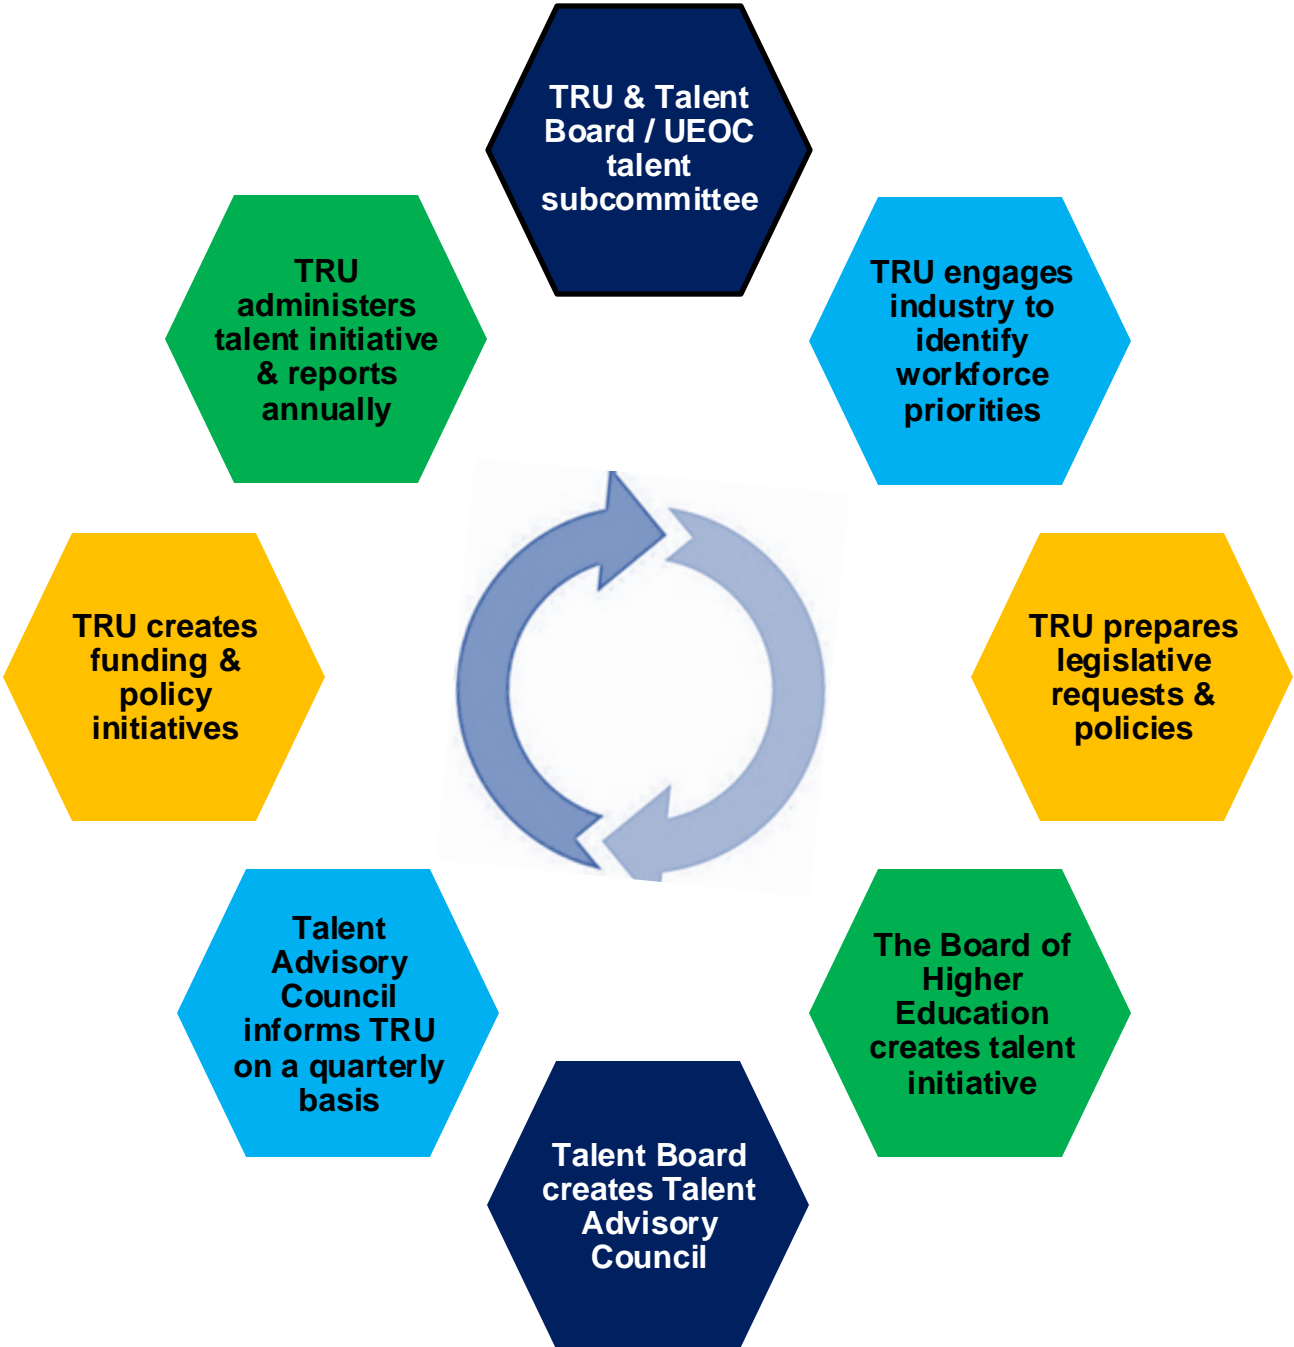

Shall ensure that a talent initiative the Board creates:

- uses a name for the talent initiative that reflects the area the initiative is targeting;
- contains an outline of the disciplines, industries, degrees, certifications, credentials, and types of skills the talent initiative will target; and
- uses a corresponding Talent Advisory Council created by the Talent Board.

Talent Board

Shall create a Talent Advisory Council for each talent initiative created and make recommendations to the board regarding the administration of a talent initiative.
