- a. “Send me a push” option will send a request to your phone to approve the login through the app”
  - b. “enter a passcode” option will request the 6 digit code provided by your DUO mobile application.

A screenshot of a Duo authentication interface. On the left is a large red 'U' logo. Below it are links: 'What is this?', 'Add a new device', 'My Settings & Devices', and 'Need help?'. At the bottom left of the box is the text 'Secured by Duo'. On the right, the text 'Choose an authentication method' is above two green buttons: 'Send Me a Push' and 'Enter a Passcode'. Below the buttons is a checkbox labeled 'Remember me for 12 hours'.
