### USHE Results

- Since 2011, USHE institutions have awarded 266,768 degrees and certificates.
- In 2018, 69.4% of the 2014 high school graduating class had enrolled in a USHE institution.
- Utah's public postsecondary student body is almost 20% minority.
- The average of USHE institutions' published tuition and fees rates is 9.15% of the Utah median annual household income.
- 40.7% of USHE's students receive an award within 8 years of entry.
- Over the past 5 years, an average of 69% of USHE's first-time, full-time students* remained enrolled the following Fall semester.
- During the 2017-2018 school year, USHE institutions awarded over 22,000 degrees and certificates in high-demand fields.
- During the 2017-2018 school year, USHE institutions awarded over 3,600 degrees and certificates in teaching and mental health professions.
- In 2017, cost per award grew .73% points slower than the national Higher Education Price Index (HEPI).
- 19.4 overall score for space utilization across the eight USHE institutions.

- 2018 High School Feedback Reports
- Wage information
- Fall 3rd week enrollment numbers
