TUITION AND FEES

Background

Utah Code, Title 53B grants the Utah Board of Higher Education with authority to set tuition and fees for each of the USHE institutions. This tab includes the Board's action on tuition and fees through the 2024-25 academic year. Beginning with the 2019-20 Academic Year, tier tuition increases were eliminated and both tuition and fees were set on an institution-by-institution basis.

Explanation of Attachments

Tables 1 and 2 report 2024-25 resident undergraduate tuition and fees for the eight USHE degree granting institutions. Table 3 reports 2024-25 tuition for each of the eight USHE technical colleges. Table 4 contains the previous ten years of undergraduate tuition and fees for both resident and non-resident students for all 16 USHE institutions. Table 5 provides historical data on undergraduate tuition by institution for both resident and non-resident students. Table 6 disaggregates the miscellaneous fees charged at eight USHE degree granting institutions for 2024-25. Table 7 presents tuition and fees for resident and non-resident graduate students based on program type. Table 8 lists the undergraduate resident and non-resident tuition percentage increases or decreases for the period ranging from 2014-15 to 2024-25. Tables 9 through 12 compare tuition and fees for USHE institutions and similar types of institutions for 2023-24. The comparison institutions are discussed in Tab M.

Notes:

¹ Board policy allows institutions to propose differential undergraduate and graduate level tuitions by program.

² Two semesters at 12 credit hours each, except Medicine, Physician Assistant, Dentistry and Software Development, which is based on the required full time credit load.

Notes:

¹ Simple Average.

² Percentage increases represent increases that apply to greatest number of students at the institution and do not include differential increases for some programs.

³ Certain general fees were transferred to tuition
