

## General Education Navigator/Academic Year 2025-26

General Education courses are highly advisable for concurrent enrollment students as they are the foundation for 2- and 4-year degrees; they are required for college graduation and transferable from one Utah System of Higher Education (USHE) institution to another.

It is possible to complete SLCC's GenEd Requirements by taking 5 CE Courses in Junior Year and 5 CE Courses in Senior Year.

1. Review the class list below with parents and counselors.
2. Speak with experts about GE choices. Such as your HS counselor about which GE classes are available at your school including all options such as AP Courses. You may also ask a SLCC CE advisor (<http://www.slcc.edu/concurrentenrollment/Students/advising-ce-advisors.html>).
3. **Are you ready to be an SLCC Bruin? Let's get started!**
