

Plan ahead for college or technical school with more than just your best guess

Check out the College Savings Estimator at my529.org.

The **College Savings Estimator**, a financial calculator, can help you assess your savings goals.

Plug in different savings variables in the easy-to-use tool, and estimate what you might want to save, based on where your child would like to attend school.

Are they looking at several schools? Search a range of possibilities.

Invite Education provides tools and information to help families make more informed choices about how to save, plan and pay for college.

The College Savings Estimator is available to everyone who visits my529.org. my529 account owners can explore more comprehensive resources through Invite Education's **College Planning Center**. See next page.

Thanks for making my529 your 529.

We are showing our gratitude by making college planning resources available to my529 account owners.

Set up an account with the Invite Education **College Planning Center**, where you will find:

- Customized calculator tools
- College search engines
- Scholarship search engines
- Planning calendars
- Links to test preparation materials
- Grade-by-grade college planning guide

Explore different possibilities for your beneficiaries. Do they want to go to college in state or out of state? Maybe they're interested in a trade or technical school. With the College Planning Center, you can try out different variables, and then assess and work toward those goals.

After you register, you can log in to the College Planning Center through your my529 account or directly at Invite Education.

As a my529 account owner, you believe in the importance of planning for the future.

Let my529 and Invite Education help.
