

HOW TO APPLY

TO SOUTHERN UTAH UNIVERSITY

GO TO [SUU.EDU/APPLY](https://suu.edu/apply)

1. Select the box on the left-hand side titled **High School Seniors**. A drop down box will appear and hit the red **"Apply Now"** button.
**If you fit into a different student type or are interested in our Aviation program, please navigate to the correct application for your student type.*

SECTION 1 - PERSONAL INFORMATION

1. Fill out the **Personal Information** section listed under the first tab (*make sure you use an email address you have access to and will check frequently, not your school or parents email address*).
2. Check the box to give us permission to send you text messages - this is the easiest way to keep up to date with important deadlines.
3. If you don't know your Social Security Number, that's ok. We can collect this information later if you choose to apply for financial aid.
4. Enter your legal sex at birth and then tell us more about your gender identity and preferred personal pronouns.
5. Choose your citizenship type - there will be additional clarification if you are not at U.S. Citizen.
6. Ethnicity information is not required if you wish not to disclose that specific information.
7. Enter your physical address as it is currently - or wherever you would like important documents to be sent.
8. We are only requesting the state in which you hold a driver's license not the license number. *If you do not have a current license, skip this question.*
9. If you would like important information sent to one household you can select **"One Parent/Guardian"** - for two separate households, select **"Both Parents/Guardians"**. Enter a few pieces of contact information for them, if you have it.
10. Enter any history you or your family may have with Military Service.

CREATE A LOGIN

1. You will be asked to confirm your email address and create a password so you can have access to your application later if needed. **Make sure your password meets all criteria.**
2. Please note – this will **NOT** be the same login as your mySUUportal.

SECTION 2 - YOUR ACADEMIC PLANS

1. Select the term you are planning to attend - it should be Fall 2023 if you are graduating this year.
2. Select the major you would like to study - if you are not sure select **"Undecided"**.
3. If you have any plans to defer your admission please select **"Yes"** - please list your planned reason for deferment (Church Service, Internship, Military, etc) and the term you plan to return. There is an official deferment process that you will need to complete after your initial admission.

continued on back...

4. The next 3 questions are about making sure you have the needed financial resources to help you attend college - select the answers that best fit you.
5. Begin typing your current High School name and select the correct one listed - if your school does not appear on this list select "Can't Find Your School" and enter your school's information.
6. Enter your intended high school graduation month and year.
7. Include your current Self-Reported GPA. We can offer a quicker admissions decision by entering this now but you will be asked to confirm this with your high school transcripts.

SECTION 3 - FINAL STEPS

1. Grant SUU **permission to access transcripts**, but please note that some schools DO NOT allow this and you will still need to send them.
2. Answer the question regarding any past crimes or convictions.
3. Check the box that all the information you provided is correct and that we may request transcripts to verify that. - **HIT SUBMIT CONGRATULATIONS!**

NEXT STEPS

You are able to download your application if you choose and the other steps are just resources to help you submit your final items, which include:

- High School Transcripts
- ACT or SAT scores ****OPTIONAL****

To check the status of your application, you will need to create a mySUU account. It will take one workday for the portal to be active and allow you to login. Please activate your account with the same email address you used to apply. Once you have access to the portal, you can see all admission progress under the Admissions Checklist on the top left hand side.

WHAT'S NEXT?

- Our office is working diligently to process your transcripts and test scores. You should receive your admissions decision from SUU within a month of submitting your application and transcripts.
- Any academic merit scholarship you qualify for will automatically be sent to you in your acceptance letter. If your scores change, feel free to submit new transcripts or test scores until our deadline of March 1st. Students wanting to be considered for our full tuition President's scholarship need to be admitted by December 1st.
- On-campus Housing applications open for Fall 2023 on October 1st.

DONE.

WAY TO GO!

DEFERMENT

SUU can offer deferments for religious, military and some other purposes. Once you have your letter of admission you can start your deferment process by going to suu.edu/defer and complete the steps there. Be sure to defer your admissions and any academic scholarship!
