

# ADVANCED EMERGENCY MEDICAL TECHNICIAN

## WHY DAVIS TECHNICAL COLLEGE?

- **Adult Students**

- **College Admission Fee:** \$45
- **Total Tuition and Fees:** \$783\* (pay as you go)
- **Books/Materials:** \$510

- **High School Students**

- **Estimated Total Cost:** \$367
- **Licensure Cost:** \$223
- **Financial Aid Available:** Scholarships, GI Bill
- **Schedule:** See [davistech.edu/programs](http://davistech.edu/programs) for dates and times
- **Length of Training:** 4 months (148 hours)
- **Accredited:** Council on Occupational Education, Utah Department of Health – Bureau of Emergency Medical Services (BEMS)
- **Utah Average Annual Job Openings:** 240

# ADVANCED EMERGENCY MEDICAL TECHNICIAN

DAVIS TECHNICAL COLLEGE | 550 East 300 South, Kaysville, UT 84037 | [davistech.edu/advanced-emergency-medical-technician](http://davistech.edu/advanced-emergency-medical-technician) | 801.593.2500

## SKILLS AND CONCEPTS TAUGHT

- Advanced Emergency Medical Technician (4 months)

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion – Advanced Emergency Medical Technician
- National Registry of Emergency Medical Technicians - AEMT Certification

## TRANSFER OPTIONS

Transfer credits toward an Associate of Applied Science degree at the following:

- **Weber State University**

## EMPLOYER RELATIONSHIPS

- Bureau of Emergency Medical Services
- Clinton City Fire Department
- Davis County Sheriff's Office
- Davis Hospital Medical Center
- Farmington Fire Department
- Kaysville Fire Department
- Layton City Fire Department
- North Davis Fire Department
- Riverdale Fire Department
- South Davis Metro Fire Agency
- Syracuse Fire Department
- Weber Fire District

\*Cost will vary depending on individual course selection. Add an \$18 certificate processing fee to be paid upon program completion. Items listed are subject to change. Please visit [davistech.edu/programs](http://davistech.edu/programs) for the most current information. Davis Technical College offers training to all applicants regardless of race, color, national origin, age, sex or disability. Average earnings as it appears on [careeronestop.org](http://careeronestop.org) sponsored by the U.S. Department of Labor.

## SKILLS AND CONCEPTS TAUGHT

- Computer aided drafting with AutoCAD and blueprint reading
- Architectural, residential, and commercial drafting and detailing
- 3D parametric solid modeling with SolidWorks
- Portfolio development
- Modeling and drafting composites
- Machine design and production drafting (GD&T)
- Design thinking in response to real-world problems
- Collaborative attitude with critique and iteration
- Modeling making, hand-sketching, and 3D printing
- Research, problem solving skills, and the iterative process
- Analogue and digital visual communication skills
- Sustainability, accessibility, historical preservation, health, and social justice

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion  
- Architectural and Engineering Design
- Autodesk Revit
- Autodesk AutoCAD
- Certified SolidWorks Associate (CSWA)

## TRANSFER OPTIONS

Transfer credits toward an Associate of Applied Science degree at the following:

- **Dixie State University**
- **Ensign College**
- **Utah State University**
- **Utah Valley University**
- **Southern Utah State University**

# AUTOMATION AND ROBOTICS

## SKILLS AND CONCEPTS TAUGHT

- Industrial controls
- Mechanical and fluid power
- Industrial networking
- Unmanned Aerial Vehicle (UAV)/drone technology
- HVAC/refrigeration
- Electronics assembly and soldering
- Programmable Logic Controllers (PLCs)
- Renewable energy
- Electrical equipment basics
- Building automation
- Electrical motor controls
- Industrial robotics
- Human machine interface
- Microcontroller/microprocessor programming
- Industrial vision systems

## EQUIPMENT

- Automated manufacturing lines
- Variable frequency drives
- Instrumentation process control equipment
- Belt and chain drives
- Bearing lubrication and installation
- Opto-22 Programmable Automation Controllers
- Shaft alignment and pump installation
- ABB robotics
- Hydraulic and pneumatic equipment
- Fanuc robotics
- Electrical motor controls
- Solar/wind renewable energy
- Allen Bradley, GE, Schneider Electric and Siemens Programmable Logic Controllers
- FANUC iRVision Systems
- Cognex Vision Systems

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion - Automation and Robotics

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

- **Dixie State University**
- **Ensign College**
- **Southern Utah University**
- **Utah State University**
- **Utah Valley University**
- **Weber State University**

# COMPOSITE MATERIALS TECHNOLOGY

## SKILLS AND CONCEPTS TAUGHT

- Hand lay up
- Mold preparation and tooling
- Non-vacuum and vacuum bag fabrication
- Prepreg material laminations
- Composite repair
- Resin Infusion
- Part finish
- Core materials
- Blueprint reading
- Composites machining
- Autoclave operation
- Filament Winding
- Introduction to Computer Aided Design (CAD)

## EQUIPMENT AND FACILITIES

- Taricco autoclave
- Flowjet water jet cutter
- Gerber cutting table
- McClean Anderson filament winder
- 3D printer
- Walk-in industrial freezers
- Industrial ovens
- Sanding and finishing room
- Paint spray booths
- Debulk tables
- Two classrooms/computer labs
- STM-100KN United compression/tensile testing
- Radius Engineering resin injection system
- Rolling Table
- Snowboard Press

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion – Composite Materials Technology
- American Composites Manufacturers Association (ACMA) Certified Composites Technician

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

# COSMETOLOGY

## SKILLS AND CONCEPTS TAUGHT

- Beginning to advanced haircutting
- Beginning to advanced hair coloring
- Beginning to advanced hair styling
- Beginning to advanced makeup
- Chemical texturing
- Sanitation and safety
- Anatomy and physiology
- Chemistry and electricity
- Nail technology
- Basic esthetics
- Hair design
- Scalp care
- Hair braiding
- Social media marketing
- Salon business
- Eyelash extensions (elective course)
- Hattori Hanzo Shears

## FACILITIES

- Full-service salon and spa:
  - 54 hair stations
  - 13 esthetics tables
  - 4 + private spa rooms
  - retail store
  - 20 nail stations

Students are required to bring in models for services. The materials cost must be paid by the model or student.

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion – Cosmetology
- Utah Division of Occupational and Professional Licensing: Cosmetologist/Barber (must have social security number to license in Utah)

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

- **Dixie State University**
- **Ensign College**
- **Southern Utah University**
- **Utah State University**
- **Utah Valley University**
- **Weber State University**

## EMPLOYER RELATIONSHIPS

- Borboleta
- Butterfly Jac
- Creative Nail Design
- Dollar Cuts
- Embellish Salon
- Eminence Organic Skincare
- Glymed
- Great Clips
- Jane Iredale
- KIN
- Salon 801
- Salon Bleu
- YG Laboratories

# CULINARY ARTS

## SKILLS AND CONCEPTS TAUGHT

- Food safety and sanitation
- Knife skills
- Culinary fundamentals
- Sauces and soups
- Vegetables and starch cookery
- Garde Manger
- Baking and pastry fundamentals
- Meat and fish fabrication
- Fast casual cooking
- Catering

Team up with fellow students to create gourmet meals for exciting campus events

## EQUIPMENT AND FACILITIES

- Commercial kitchen and classroom space
- Professional Hobart mixers
- Stack oven
- Combi oven
- Immersion circulator
- Blast chiller
- Steam kettles
- Tilt skillet
- Dough sheeter
- Buffalo chopper
- Vacuum packing machine
- Slicers

Work with Professional Chefs while learning the fundamentals of the Culinary Arts profession using the tools of the trade

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion – Culinary Arts
- ServSafe Food Production Manager

Visit local farms, restaurants, resorts, and food operations while learning the craft of the professional kitchen

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

- **Dixie State University**
- **Ensign College**
- **Salt Lake Community College**
- **Southern Utah University**
- **Utah State University**

# CYBERSECURITY

## SKILLS AND CONCEPTS TAUGHT

- General information technology
- Windows, Linux, and Mac Operating Systems
- Android and iOS configuration
- Patch and update management
- Building and maintaining PC/server hardware
- Cloud computing
- Virus and malware removal
- HTML5, CSS3
- Webserver installation and management
- Python and PowerShell
- IT project management
- TCP/IP networking (IPv4 and IPv6)
- Firewalls and VPNs
- Wireless network installation and management
- System and network troubleshooting
- System and network management
- White hat ethical hacking
- Enterprise security
- Computer forensics
- Pen testing/vulnerability assessment
- Security policy/security compliance
- Information assurance
- Ethernet LANs/VLANs
- Multi-layer switch configuration
- Cisco iOS and enterprise routing
- VMware/virtualization

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion - Cybersecurity
- Cisco CCNA Routing and Switching
- CISCO CCNA Security
- CompTIA A+ Essentials
- CompTIA A+ Practical Application
- CompTIA Project+
- Linux Essentials
- CompTIA Network+
- CompTIA Security+
- CompTIA IT Fundamentals+
- Microsoft Technology Associate (MTA) Networking Fundamentals
- Microsoft Technology Associate (MTA) Security Fundamentals
- Microsoft Technology Associate (MTA) Administration Fundamentals
- AWS Cloud Practitioner
- CompTIA Cloud Essentials
- MTA Microsoft Server Administration Fundamentals

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

- Dixie State University
- Ensign College
- Southern Utah University
- Utah State University
- Utah Valley University
- Weber State University
- Western Governors

DAVIS TECHNICAL COLLEGE | 550 East 300 South, Kaysville, UT 84037 | [davistech.edu/information-technology](http://davistech.edu/information-technology) | 801.593.2500

## SKILLS AND CONCEPTS TAUGHT

- General Information technology
- Windows, Linux, and Mac Operating Systems
- Android and iOS configuration
- Basic programming concepts
- Database fundamentals
- Web development fundamentals
- Patch and update management
- Building and maintaining PC server hardware
- Virus and malware removal
- HTML5, CSS3
- TCP/IP networking (IPv4 and IPv6)
- Firewalls and VPNs
- Wireless network installation and management
- System and network troubleshooting
- System and network management
- Enterprise security
- Security policy/security compliance
- Information assurance
- Ethernet LANs/VLANs
- Multi-layer switch configuration
- VMware/virtualization

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion - Information Technology
- CompTIA A+ Essentials 2019 (Exam 220-1001)
- CompTIA A+ Practical Application 2019 (Exam 220-1002)
- CompTIA IT Fundamentals FC0-U61
- MTA Network Fundamentals (Exam 98-366)

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

- **Weber State University**
- **Western Governors**

## EMPLOYER RELATIONSHIPS

- Avant Guard
- BAE
- CenturyLink
- Davis School District
- Executech
- Freeus
- TEK Systems

# WELDING TECHNOLOGY

## SKILLS AND CONCEPTS TAUGHT

- Welding safety
- Blueprint reading
- Welding math
- Shielded metal arc welding
- Flux-cored arc welding
- Gas tungsten arc welding
- Stainless steel welding
- Aluminum welding
- Pipe welding
- Oxy fuel, plasma, and carbon arc cutting processes
- Gas metal arc welding
- Weld inspection and metallurgy

## EQUIPMENT AND FACILITIES

- Lincoln Electric National Training Center
- System 5 robotic welder
- Subarc welder
- Pulse welders
- TIG welders
- MIG welders
- VRTEX 360 virtual welders
- Official American Welding Society (AWS) Accredited Test Facility

## CREDENTIALS AVAILABLE

- Davis Technical College Certificate of Program Completion - Welding Technology
- American Welding Society Certified Welder

## ACADEMIC AGREEMENTS

Transfer credits toward an Associate of Applied Science degree at the following:

- Dixie State University
- Ensign College
- Southern Utah University
- Utah State University
- Utah Valley University
- Weber State University

## EMPLOYER RELATIONSHIPS

- HHI Corporation
- Lincoln Electric Company-District Office
- Norco
- Ore Designs
- UA Local 140
- Utility Trailer
