

# REGENTS' SCHOLARSHIP RULES AND REQUIREMENTS FOR 2021 GRADUATES

Working hard in high school and taking the right classes is the best way to make sure you'll be successful in college. And with the Regents' Scholarship, your early preparation can literally pay off!

Please read thoroughly, as there are changes to the scholarship requirements which affect students graduating high school in 2021.

## REQUIREMENTS

### ACADEMIC REQUIREMENTS

- ✓ Take the required classes in grades 9-12 (see pages 4-8)
- ✓ Earn at least a 3.3 cumulative high school GPA
- ✓ Graduate from a Utah high school
- ✓ Meet college enrollment or deferment requirements

### NON-ACADEMIC REQUIREMENTS

- ✓ Fill out the FAFSA (Free Application for Federal Student Aid)
- ✓ Meet all deadlines
- ✓ Be a US citizen or a non-citizen eligible for federal financial aid

---

Regents' Scholarship recipients earn a degree at double the rate of their peers.

---

## REQUIRED CREDITS TO BE COMPLETED IN GRADES 9-12

- ✓ 4 credits of English
- ✓ 4 credits of Math  
(at least 1 class must be selected from the advanced course list; see page 5)
- ✓ 3 credits of Social Science
- ✓ 3 credits of lab-based Science  
(one each of Biology, Chemistry, and Physics)
- ✓ 2 credits of the same World Language  
(other than English)

## APPLYING FOR REGENTS' SCHOLARSHIP

You will apply for the Regents' Scholarship during your senior year. The application opens mid-November and is due no later than February 1. A priority deadline may be established each year. Additional details about the application process will be available on [RegentsScholarship.org](https://RegentsScholarship.org).

## AWARD INFORMATION

The Regents' Scholarship can be used at an eligible Utah college or university for up to 4 semesters (or two years at an approved technical college) and must be used within 5 years from the date of high school graduation. Scholarship funds can be used towards tuition and fees. The award amount for each student will vary based on other state aid that has been awarded to the student.

## COLLEGE ENROLLMENT REQUIREMENTS

Enrollment at an eligible college is required Fall semester after high school graduation unless you receive an approved deferment from the Regents' Scholarship Office. Students are required to enroll in and complete 12 credit hours earning a 3.0 GPA each semester for which they receive a disbursement. Students who attend a technical college must enroll full time and maintain satisfactory progress as defined by the college you attend.

For more details regarding the enrollment requirements and award disbursement please see the 2021 applicants page at [regentsscholarship.org](http://regentsscholarship.org)

## COLLEGES WHERE THE REGENTS' SCHOLARSHIP CAN BE USED

The Regents' Scholarship can be used at any of the following Utah colleges and universities:

### Utah System of Higher Education

### Technical Colleges

### Private Institutions

Please note that the private, non-profit schools listed must agree to participate in this program, thus the ability to use the scholarship at those colleges is subject to change.

## KNOWING WHICH CLASSES TO TAKE FOR THE SCHOLARSHIP

To learn which classes meet the scholarship requirements, see pages 4-8 of this guide. Call the Regents' Scholarship if you have questions about your classes.

## RULES FOR COMPLETING CLASSES

- All classes considered for the Regents' Scholarship must be completed through sources accredited through AdvancEd.
- A class may meet your school's graduation requirements but may not meet the scholarship requirements.
- Before enrolling in a class through the Public Education Statewide Online Education Program, Ed-Net concurrent enrollment, or a class offered at another accredited Utah high school or college, contact our office to learn if it can be used to fulfill the scholarship requirements.
- In order for a class to count towards the scholarship requirements, it must be unique in content and cannot be a repeat of curriculum. For example, you cannot complete a standard class and enroll in the honors version of the same class the following year, counting both towards meeting the credit requirement. (Example: Geography and Geography Honors cannot both be counted towards fulfilling the scholarship requirements.)
- You may satisfy a class requirement through a competency-based assessment provided it is documented for credit on an official transcript. The requirement for lab-based science courses may not be fulfilled through competency exams, as the exams do not include a lab component.

# 70%

of Regents' Scholarship applicants felt the classes completed for the scholarship prepared them either "well" or "very well" for college.

## CONCURRENT ENROLLMENT (CE)

- By taking CE courses, you earn both high school credit and college credit. A CE class can be taken at a high school, at a college, via Ed-Net, or by distance education.
- A 3:1 ratio of college credits to high school credits will be applied to all classes in which college credit is earned as demonstrated on the college transcript. For example, classes worth three college credits will be counted as one credit towards the scholarship requirements.
- If you earn college credit for any of the classes required by the scholarship, you will be evaluated off the college credit earned. Therefore, an official college transcript is required as part of your application.

## CLASSES THAT FULFILL CREDIT REQUIREMENTS

### 4 CREDITS OF ENGLISH

#### CLASSES THAT SATISFY THE ENGLISH REQUIREMENT:

\* Approved Concurrent Enrollment (CE) class. Concurrent Enrollment classes are those in which you earn college credit and will require college transcripts as part of your scholarship application.

- |  |  |                                      |
|--|--|--------------------------------------|
| ✓ AP English Language                            | ✓ IB English A: Language and Literature SL 1 & 2 | ✓ Language Arts 9                    |
| ✓ AP Literature and Composition                  |  | ✓ Language Arts 10                   |
| ✓ College Prep Language Arts                     | ✓ IB English A: Language and Literature HL 1 & 2 | ✓ Language Arts 11                   |
| ✓ English 1010 (Intro to Expository Writing CE)* | ✓ IB English A: Literature SL 1 & 2              | ✓ Language Arts 12                   |
| ✓ English 2010 (Expository Writing II CE)*       | ✓ IB English A: Literature HL 1 & 2              | ✓ Professional Reading and Writing** |

Note: ESL coursework that shows progression into standard core courses will be evaluated on an individual basis.

\*\* This class must be taken for one full credit.

#### CLASSES THAT DO NOT SATISFY THE ENGLISH REQUIREMENT:

- |                            |                            |                            |
|----------------------------|----------------------------|----------------------------|
| ✗ ACT preparation courses  | ✗ Drama                    | ✗ Mythology                |
| ✗ American Literature      | ✗ English 2200             | ✗ Newspaper                |
| ✗ British Literature       | ✗ European Literature      | ✗ Romantic Literature      |
| ✗ Basic Reading Skills     | ✗ Effective Writing        | ✗ Shakespeare              |
| ✗ Basic Writing Skills     | ✗ Film                     | ✗ Speech                   |
| ✗ Broadcasting             | ✗ Foreign Language courses | ✗ Sports Literature        |
| ✗ Creative Writing 1 and 2 | ✗ Humanities               | ✗ Theatre                  |
| ✗ Communications courses   | ✗ Humanities 1010          | ✗ Understanding Literature |
| ✗ Communications 1010      | ✗ IB Theory of Knowledge   | ✗ World Literature         |
| ✗ Debate                   | ✗ Journalism/Lit Magazine  | ✗ Yearbook                 |

## 4 CREDITS OF MATH

In order to satisfy the Regents' Scholarship math requirement, you need to complete 4 credits of math selected from the following table. At least one or more classes listed under Advanced Math Classes must be completed.

If you complete a class that is not listed, it cannot be counted towards the scholarship requirements. Classes that are double-blocked, where you earn one math credit and one elective credit, will only be counted as one credit towards the math requirement.

If you have questions regarding the math classes you should take, contact the Regents' Scholarship office.

If you are planning to complete a concurrent enrollment math class, you will need to meet the enrollment conditions, which are determined by the college/university offering the class.

### CLASSES THAT SATISFY THE MATH REQUIREMENT:

\*CE classes are those in which you earn college credit and will require college transcripts as part of your scholarship application.

FOUNDATIONAL MATH CLASSES	ADVANCED MATH CLASSES (MUST COMPLETE AT LEAST 1 CLASS)	
<ul style="list-style-type: none"> <li>✓ Secondary Math 1</li> <li>✓ Secondary Math 2</li> <li>✓ Secondary Math 3</li> <li>✓ Secondary Math 1 Honors</li> <li>✓ Secondary Math 2 Honors</li> <li>✓ Secondary Math 3 Honors</li> <li>✓ IB Math Studies</li> </ul> <p>If your school has not implemented the Utah Core, the foundational classes are Algebra 1, Geometry, and Algebra 2 (standard or honors versions).</p>	<ul style="list-style-type: none"> <li>✓ AP Calculus</li> <li>✓ AP Calculus AB</li> <li>✓ AP Calculus BC</li> <li>✓ AP Statistics</li> <li>✓ IB Further Math HL 1 &amp; 2</li> <li>✓ IB Math SL 1 &amp; 2</li> <li>✓ IB Math HL 1 &amp; 2</li> <li>✓ Introductory Calculus</li> <li>✓ Introductory Statistics</li> <li>✓ Pre-Calculus</li> </ul>	<ul style="list-style-type: none"> <li>✓ *CE Math 1030: Quantitative Reasoning</li> <li>✓ *CE Math 1040: Intro to Statistics</li> <li>✓ *CE Math 1050: College Algebra</li> <li>✓ *CE Math 1060: Trigonometry**</li> <li>✓ *CE Math 1080 (cannot be taken in conjunction with Math 1050)</li> <li>✓ *CE Math 1210: Calculus 1</li> <li>✓ *CE Math 1220: Calculus 2</li> <li>✓ *CE Math 2210: Calculus 3</li> </ul>

\*\*Must be 3 college credits to count as 1 credit for the scholarship

### CLASSES THAT DO NOT SATISFY THE MATH REQUIREMENT

- |  |                               |                                      |
|--|-------------------------------|--------------------------------------|
| ✗ Accounting courses                           | ✗ Computer Science            | ✗ Math Labs, including calculus labs |
| ✗ ACT/SAT Math Prep                            | ✗ Discrete Mathematics        | ✗ Mathematics of Personal Finance    |
| ✗ Advanced Math                                | ✗ Financial Literacy          | ✗ Medical Math                       |
| ✗ Advanced Topics of Applied Math <sup>o</sup> | ✗ Geometry/Trigonometry       | ✗ Modern Mathematics                 |
| ✗ Business Math                                | ✗ Linear Algebra <sup>o</sup> | ✗ Pre-Calculus 2                     |
| ✗ Basic Skills                                 | ✗ Mathematical Decision       | ✗ Physics                            |
| ✗ College Prep Math                            | ✗ Mathematics Essentials      | ✗ Quantitative Analysis              |
| ✗ Computer Programming courses                 | ✗ Math 1010                   | ✗ Trigonometry                       |

<sup>o</sup>This class is not recognized by the Utah State Board of Education.

### 3 CREDITS OF SOCIAL SCIENCE

#### CLASSES THAT SATISFY THE SOCIAL SCIENCE REQUIREMENT:

\*Concurrent Enrollment classes are those in which you earn college credit and will require college transcripts as part of your scholarship application.

- |   |   |   |
|---|---|---|
| ✓ American Government & Law                   | ✓ Economics 1010, 1500, 1740, and 2010*                 | ✓ Psychology, Sports Psychology, Psychology 1 or Psychology 2 |
| ✓ Anthropology                                | ✓ European History                                      | ✓ Sociology   |
| ✓ Anthropology 1010*                          | ✓ Geography 1000, 1300*                                 | ✓ Sociology 1010*   |
| ✓ AP US History                               | ✓ Geography for Life                                    | ✓ U.S. History II   |
| ✓ AP Human Geography                          | ✓ History 1100, 1110, 1500, 1510, 1700, 2700, and 2710* | ✓ United States Government & Citizenship                      |
| ✓ AP US Government and Politics               | ✓ IB History of the Americas                            | ✓ Utah Studies  |
| ✓ AP Government and Politics: Comparative     | ✓ IB 20th Century World History                         | ✓ USU 1300 and 1320*  |
| ✓ AP Economics                                | ✓ IB Psychology   | ✓ US Wars   |
| ✓ AP Psychology                               | ✓ Introduction to Philosophy                            | ✓ World Civilizations (formerly World History)                |
| ✓ AP World History                            | ✓ Philosophy 1000*                                      | ✓ World History   |
| ✓ AP European History                         | ✓ Political Science 1100, 2060, 2200, and 2920*         |   |
| ✓ Current Issues                              | ✓ Psychology 1010 and 2500*                             |   |
| ✓ Economics (must earn social science credit) |   |   |

#### CLASSES THAT DO NOT SATISFY THE SOCIAL SCIENCE REQUIREMENT:

- |  |   |  |
|--|---|--|
| ✗ Art History  | ✗ Financial Literacy                    | ✗ Peer Court                                     |
| ✗ Adult Roles  | ✗ History of Film                       | ✗ Psychology 1100                                |
| ✗ Business Economics                                 | ✗ Hospitality Management Courses        | ✗ REAL BYU 41                                    |
| ✗ Child Care   | ✗ Human Development courses             | ✗ Seminary                                       |
| ✗ Child Development courses                          | ✗ Humanities                            | ✗ Student Government                             |
| ✗ Criminal Justice (as of the 2018-19 academic year) | ✗ IB Theory of Knowledge                | ✗ Classes that do not earn social science credit |
| ✗ Debate   | ✗ Marriage and Family Relations courses |  |

### 3 CREDITS OF LAB-BASED SCIENCE, SPECIFICALLY ONE EACH OF BIOLOGY, CHEMISTRY, AND PHYSICS

#### CLASSES THAT SATISFY THE LAB-BASED SCIENCE REQUIREMENT:

- ✓ AP Biology
- ✓ AP Chemistry
- ✓ AP Physics (1, 2 and C)
- ✓ Biology
- ✓ Biology Agriculture
- ✓ Chemistry
- ✓ Human Biology
- ✓ IB Biology
- ✓ IB Chemistry
- ✓ IB Physics
- ✓ Physics
- ✓ Physics with Technology

#### College Science Classes and Concurrent Enrollment

If you choose to complete a college science class or a Concurrent Enrollment (CE) science class, you must complete both a college lecture AND college lab during the same semester. Completion of the lecture and the lab must be reflected on your official college transcript. For example, Physics 1010 (lecture) and Physics 1015 (lab) must be completed together.

#### APPROVED CONCURRENT ENROLLMENT (CE)\* CLASSES:

- ✓ Biology 1010 taken with Biology 1015
- ✓ Biology 1610 taken with Biology 1615
- ✓ Biology 1620 taken with Biology 1625
- ✓ Chemistry 1010 taken with Chemistry 1015
- ✓ Chemistry 1110 taken with Chemistry 1115
- ✓ Chemistry 1120 taken with Chemistry 1125
- ✓ Chemistry 1210 taken with Chemistry 1215
- ✓ Chemistry 1220 taken with Chemistry 1225
- ✓ Weber State University's Chemistry 1110 or 1120 (the lab is incorporated with the lecture)
- ✓ Physics 1010 taken with Physics 1015
- ✓ Physics 2010 taken with Physics 2015
- ✓ Utah State University's Physics 1200 (the lab is incorporated with the lecture)

\*Concurrent Enrollment classes are those in which you earn college credit and will require college transcripts as part of your scholarship application.

#### CLASSES THAT DO NOT SATISFY THE LAB-BASED SCIENCE REQUIREMENT (EVEN IF THEY HAVE A LAB):

- ✗ Applied Physics
- ✗ AP Environmental Science
- ✗ Aeronautics
- ✗ Aerospace
- ✗ Anatomy
- ✗ Astronomy
- ✗ Basic Physics
- ✗ Botany
- ✗ Bio-Tech
- ✗ Computer Science
- ✗ Conceptual Physics
- ✗ Concurrent Enrollment AUSV 1100
- ✗ Earth Science
- ✗ Earth Systems
- ✗ Electronics
- ✗ Environmental Science
- ✗ Genetics
- ✗ Geology
- ✗ Human Biology/Intro to Health Sciences
- ✗ Human Physiology
- ✗ Introduction to Health Sciences
- ✗ Investigation Science
- ✗ Marine Biology
- ✗ Medical Anatomy
- ✗ Meteorology
- ✗ Physiology
- ✗ Physical Science
- ✗ Science Research
- ✗ Science and Technology
- ✗ Wildlife Biology
- ✗ Zoology
- ✗ Biology, Chemistry and Physics courses that do not have labs

## 2 CREDITS OF THE SAME WORLD LANGUAGE (OTHER THAN ENGLISH) TAKEN DURING GRADES 9-12

### CLASSES THAT SATISFY THE WORLD LANGUAGE REQUIREMENT:

- ✓ American Sign Language
- ✓ Arabic
- ✓ Chinese
- ✓ French
- ✓ German
- ✓ Italian
- ✓ Japanese
- ✓ Latin
- ✓ Russian
- ✓ Spanish
- ✓ Spanish for Native Speakers 1 & 2
- ✓ IB and AP versions of the classes listed
- ✓ CE Language Course 1010\*
- ✓ CE Language Course 1020\*
- ✓ CE Language Course 2010\*
- ✓ CE Language Course 2020\*
- ✓ Dual immersion bridge classes including (but not limited to):
  - Chinese 3116\*
  - French 3116, 3117, 3118\*
  - Spanish CE 3116, 3117\*

\*Concurrent Enrollment classes are those in which you earn college credit and will require college transcripts as part of your scholarship application.

### CLASSES THAT DO NOT SATISFY THE WORLD LANGUAGE REQUIREMENT:

- ✗ English
- ✗ Repeated classes
- ✗ World language classes completed prior to grade 9

## QUESTIONS?

If you have questions about the Regents' Scholarship, contact us using the information below.

Remember, only rely on the Regents' Scholarship office for correct and up-to-date information on scholarship requirements.
