APPEAL RULES AND INSTRUCTIONS

- Under Regents' Policy (R609), Regents' Scholarship applicants have the right to appeal an adverse decision.
- Appeals must be submitted within 30 days of the date of the notification sent to the student.
- The preferred method to submit the appeal and supporting documents is by using the "uploader" found in your Regents' Scholarship account. If you cannot upload the documents they can be mailed.
- The appeal must provide evidence that the adverse decision was made in error and that, in fact, you met all scholarship requirements and submitted all requested documentation by the deadline. Appeals filed in an attempt to change the scholarship requirements are beyond the scope and purpose of the appeals process.
- An appeal filed before you receive an official notification regarding your application will not be considered.
- A submission of an appeal does not guarantee a reversal of the original decision.
- As the student applicant, it is the your responsibility to file the appeal, including all supplementary documentation.
- It is estimated that the notification of the decision regarding an appeal will be sent to the student via their message center in their Regents' Scholarship account 4-6 weeks after receipt of all appeal application documents.
