Chair Evans began the meeting by thanking Commissioner Woolstenhulme for his
leadership and the great things he has done to further the System. Chair Evans indicated
that due to Commissioner Woolstenhulme's new position at Utah State University, and
his resignation as Commissioner of the Utah System of Technical Colleges, the Board
needs to appoint an Acting Commissioner.

Chair Evans also mentioned that the Board needs to appoint an Acting Commissioner so he/she can spend a few weeks with Commissioner Woolstenhulme before he moves to his new role at USU. Depending on the timeline, he continued, some people may or may not be interested in the Acting Commissioner position because it can be a short or long term.

Chair Evans began with Agenda Item C: Commissioner's Position. Due to Commissioner Woolstenhulme's resignation, effective August 1, 2018, the Board of Trustees needs to approve the following items:

1. Proposed timeline for Commissioner's Search
2. Commissioner's position announcement
3. Members of the Search Committee

Chair Evans asked Trustees if there were any comments regarding the proposed timeline for the Commissioner's Search and opened it up for discussion.

Trustee Osmond stated that he doesn't have any concerns with the timeline and believes the Board needs to address this issue aggressively and as soon as possible.

Commissioner Woolstenhulme indicated that the only item in the proposed timeline that has 100% time certain is Wednesday, November 14, 2018, as the State Senate needs a 30-day turn around before the confirmation. The interviews will take place in the middle of October, and the State Senate confirmation scheduled for November.

Trustee Susan Johnson mentioned that she feels that depending on the Interim Commissioner, the Board of Trustees, need time to find a qualified candidate. She also mentioned that some interims are in their positions for more than two years.

Chair Evans explained that if the Board agrees with this timeline and cannot find the right candidates, the Board can certainly extend the search for another six months or a year. Chair Evans asked again if there were any other thoughts about the timeline.

Chair Evans proposed a motion to consider the timeline knowing that this timeline doesn't lock the Board down if the Board doesn't find the right person and needs to continue with the search.

Chair Evans stated that to carry out the Commissioner's Search; the Board will need to appoint a Search Committee. Chair Evans informed that he had asked Vice Chair Steve Moore if he would be willing to Chair the Commissioner's Search Committee. Chair Evans then asked if any of the Trustees would like to be the Committee's Chair. (No comments from Trustees)

Chair Evans motioned that Vice Chair Steve Moore serves as the Commissioner's Search Committee Chair, Seconded: Aaron Osmond.

Vote: Unanimous

Chair Evans asked: Who of the Trustees would like to serve as committee members? (no reply from Trustees)

Chair Evans continue by saying that perhaps it would be a good idea to invite a Senator or a Representative to serve in the Commissioner's Search Committee. An example would be Senator Ann Millner and Representative Derin Owens. Trustee Osmond stated that he believes it's a good idea to have a Senator or Representative's involvement from the start so they can be engaged and look at this search from the state-wide perspective. Trustee Osmond stated that he was involved in the Dixie Technical College President Search Committee, but he would like to be involved in the Commissioner Search Committee as well. Trustee Catherine Carter indicated that she also would like to be part of the committee.

Chair Evans stated that Trustees would probably like to look at their schedules, so he proposed that if Trustees would like to ponder on this and if interested in serving as members of the Search Committee, to call him or Chair Moore. Also, it will be important to have some college presidents serving on the committee.

Commissioner Woolstenhulme said that the next step would be to post the job announcement.

Trustee Scott Theurer asked if it would be helpful to find out the cost of a consultant, and the short timeline as far as to recruit other candidates. Chair Evans asked Commissioner Woolstenhulme to ask someone from his staff to look into it.

Chair Evans said that the next step was to talk about the Acting Commissioner. He also mentioned that he has seen this done both ways, and he was curious to know if it matters to the Trustees if a person selected be the acting commissioner would be someone who is also planning to be a candidate for the Commissioner's position. He asked if there are any thoughts or if that even matters to Trustees. Trustee Osmond

clarified the statement: *if the Trustees would allow the Interim Commissioner to apply for the position.*

Trustees Johnson and Wade expressed that they don't think that it would matter one way or the other.

Chair Evans mentioned that he has names of people who would like to be considered (for the Interim Commissioner position): Jared Haines, currently in the Commissioner's office. He has done it a few times, has done it well; and understands the process. President Michael Bouwhuis (currently President of the Davis Technical College), asked to be considered the Acting Commissioner. Chair Evans mentioned that President Bouwhuis is getting to the end of his career. The other names are Joseph Demma (Assistant Commissioner) and Russell Galt (VP Administrative Services and CFO- Davis Technical College). He asked if there were any other names that Trustees may know that are interested in the Interim Commissioner position.

Trustee Ulery asked what is the process for the Board of Trustees to decide which of the four candidates would be the interim Commissioner?

Chair Evans replied that the Board would talk about it and then have a potential nomination and vote. However, before that, the Board need to have a good discussion and have a clear reason why the Board wants to appoint one of those individuals. They are all quality individuals, but we (the Board) need to decide on the individual who will keep things moving forward.

Commissioner Woolstenhulme stated that after Board of Trustees selects the Interim Commissioner, the name needs to go through the State Senate confirmation process.

Doug Richards (Legal Counsel), stated that if the Board wants to discuss the competence, qualifications, pros, and cons of these individuals that the Board may want the motion to go into closed session.
